The Honorable Commissioner of Patents
& Trademarks
Washington, D.C. 20231
U.S.A.

Dear Sir:

FILING OF AN INFORMATION DISCLOSURE STATEMENT

In accordance with 37 CFR 1.97 and 1.98, and in recognition of the duty of disclosure set forth in 37 CFR 1.56, Applicants hereby submit an Information Disclosure Statement on Form PTO-1449 containing a listing of patents and other publications of which Applicants are aware.

Applicants wish to point out that the documents listed on the enclosed form are the same as those submitted for U.S. patent application serial No. 09/215,328, the corresponding parent for the present application. The Applicants therefore have not resubmitted the references listed on the Information Disclosure Statement enclosed herewith and request that the Examiner review these same documents submitted with the Information Disclosure Statement for U.S. application No. 09/215,328. The Applicants confirm that they are not aware of any new patents or

other publications that should be submitted as part of the Information Disclosure Statement for the present application.

All of the patents and publications submitted herewith are in the English language. Accordingly a concise explanation of the relevance of the documents is not required.

The Examiner is requested to indicate consideration of these documents by initialling the appropriate column.

Applicants reserve the right to contest the applicability of any of these documents as prior art against the subject application. If the Examiner has any questions concerning this Information Disclosure Statement, he/she is requested to contact the undersigned. Entry of the enclosed Information Disclosure Statement is believed to be in order and is respectfully requested.

This Information Disclosure Statement is being filed before the issuance of a first official action, and therefore no fees are required. However, please charge our deposit account No. 02-2095 if such a fee is required.

Respectfully submitted,

**Lauraine Wagter-Lesperance
and Bonnie Mallard**
